ABOUT EDUCATION CONSULTANCY

Education Consultancy provides the best consultancy and education guidance for study abroad but it is an initiative where we want to keep customer's expectations over and above everything. We understand that a student's CAREER is full of questions and they need to do a lot of research and take references and reviews about it. At Education Consultancy we believe that Education makes a door to a bright future. We offer you end to end support including in depth research to ideally a university that suits your needs, to processing your admission; taking care of your visa & travel arrangements. In short, we are consultants of choice for a seamless journey to an education of your dreams.

WHY TRUST 'EDUCATION CONSULTANCY' FOR PURSUING MBBS ABROAD?

Because we simply don't rely on brochures. Here's what we do

- Visit Different Universities in Abroad
- Talk with Deans, Lecturers, Rectors etc.
- Interact with students who completed their studies from Abroad
- Check for the facilities provided
- Take regular updates from students studying abroad.

We don't want you to suffer after going abroad, that's why we take care to verify the genuineness of the university before we suggest it to you.

WHY STUDY MBBS ABROAD?

- No caste based reservations
- No Donations
- World Ranking is High
- Low fees compared to India
- Excellent Infrastructure
